FOCUS

This month I want to focus on: “April Fools!”

April Fool’s Day is when someone gets tricked into believing something that is not true. One man said that April Fool’s Day was the Atheists’ National Holiday. Is it possible, however, that many Christians celebrate this day many times throughout the year unwittingly?

Has the Devil ever tricked you into believing something that is not true? There are about ten different Hebrew and Greek words translated “fool” in the Bible. These words have such meaning as empty, thickheaded, headless, thoughtless, careless, conceited, self-sufficient, indifferent to God’s will, opposing wisdom and wise instruction. Their significance is best seen in contrast with “Wisdom.”

The fear of the Lord is the beginning of wisdom. Let’s declare that this month we will be the “April Wise” rather than “April Fools!”

PRAYER FOCUS

Pray that you will...

- be the “April Wise” and not an April Fool.
- never allow slander to be on your lips.
- always be open to wisdom and instruction.
- never play the fool, believing something not true.
- not just believe anything, but that you will be diligent to believe what the Bible says “I am, I have, and I can do.”
- build your house with wisdom and not allow foolishness to tear it down.
- recognize foolishness in yourself and others, and simply call it what it is: SIN
- not allow rebellion, conceit, thoughtlessness, carelessness, self-sufficiency, or indifference to God’s will turn you into a fool.
- pray for wisdom and God will give it to you liberally.
